

**Valleyview Performing Arts Booster Club and Denville Radio Present:  
A Virtual Open Mic Night  
Friday, April 24th at 7:00PM**

The Valleyview Performing Arts Booster Club and Denville Radio to Present the Valleyview Vikings Virtual Open Mic Night - Friday, April 24, 2020 at 7 pm to benefit the Denville Strong Campaign.

Sit back, relax and enjoy the incredible entertainment brought to you by the cast, crew, and supporters of the Valleyview spring musical!

This year's production is Legally Blonde The Musical. Unfortunately, due to the current state of isolation we all find ourselves in, the date of the production is still to be determined, although the production staff is considering all possible options in hopes that these kids can perform and bring our community together yet again.

But until that time comes, enjoy the evening's entertainment as we raise money for the Denville Strong Campaign, a fundraiser to support our local heroes – medical workers, first responders and essential workers as well as our local businesses.

So on April 24, 2020 at 7 pm, tune in here:
